## THE RIDLEY FUND PASSES \$90,000

The Ridley Fund Family Tree hangs in the vestibule at the east end of School House, connecting it with the Memorial Court. It is becoming well leafed. Well over 800 leaves now identify all those of you who have contributed to annual giving this year.

The location of the clusters of leaves correspond with the leaves on the inside of the two Ridley Fund mailing pieces you have received. Make sure your leaf is on the tree before the end of the campaign.

We are very pleased to report that our annual giving programme, The Ridley Fund, has reached \$90,000 toward our target of \$165,000. It is hoped that the total will have passed the 60% mark by 31 December.

All three major categories of giving: Alumni, Current Parents and Past Parents and Friends are on target.

There is still a long way to go to reach \$165,000. For those of you who have not contributed there will be a final mailing at the end of January. Please make your annual contribution to The Ridley Fund. Ridley deserves your support and needs your donation.

Last year Alumni participation rose from 27 to 31 percent. This is a significant increase. It is hoped that with your support participation will pass 35 percent or better this year. Also last year ten Classes had participation of 50 percent or better, as you will see in the Annual Fund section of this issue. Special mention is accorded to the Class of 1963, one of our younger and larger classes, who reached 50 percent participation.

Due to the problems encountered in our initial year of operating The Ridley Fund it was not possible to monitor and provide the necessary administrative backup required for the efforts of the Current Parent and Past Parents and Friends chairmen. This year we are in better shape to help and the results to date in these categories is much better than last year.

The figures to 22 December are as follows:

	1980-81	
	Donors	
Alumni	620	\$62,757
Current Parents	113	16,425
Past Parents & Friends	132	11,094
	865	\$90,276

Again, our heartfelt thanks to all of you who have contributed to The Ridley Fund. To those of you who have not we hope you will recognize the need and send in your contribution.

### *The Matthews Library*

The expanded Matthews Library with which most of our readers are familiar, opened its doors amid the chaos of construction and wet paint when the McLaughlin Building was dedicated in September, 1973. It has not looked back since its opening and purports to be the best library in the Independent school system in Ontario. It has quadrupled its book stock in the past 10 years to nearly 18,000 volumes and has made a valiant effort to cope with prolific student demand, inflation and general depreciation. So much for the statistics and observations of the Librarian. But what is the Matthews Library?

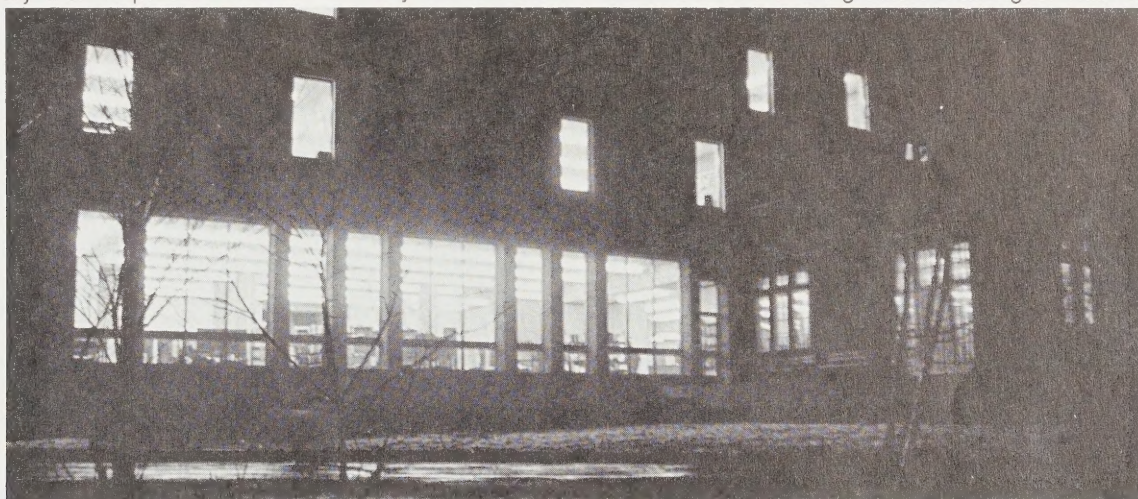

The answer given by the Head Librarian, Mr. Paul E. Lewis, a veteran of ten years at the front (on the floor?) was that it is primarily a learning place. Not that other aspects or areas of the School are not equally learning places, but the library at Ridley represents a place where a special kind of learning is imparted.

In the first place, but possibly the least important, is the fact that the library tries to provide material on every conceivable

magazine storage area and is into microfiche film for some titles to relieve the pressure on available space. The Librarian has often been quoted as saying, "If we haven't got, we'll get it." This maxim adds to the total material available but also underlines the library's function as servant to the School community.

Secondly, and perhaps most important, Mr. Lewis sees the library as a place which encourages scholarship, learning and a respect for knowledge. The fact that such a wide variety of material is made available should be seen as a perpetual reminder of the liberty we enjoy and the freedom we have to explore other views and to widen our personal intellectual horizons. Ridley makes no apologies for the fact that it is an academic school. Consequently the staff makes no apologies either for making demands of the students.

Very much connected with this great quest for knowledge is the attempt to create an atmosphere where discussion is encouraged but idle chatter is discouraged. Mr. Lewis reports that this is one of the greatest challenges! This challenge leads

subject at every conceivable reading ability level to the entire student body and faculty as well. To do this is not only incredibly time-consuming but also is an expensive business. Thanks to the enlightened vision of the Board of Governors, a budget nearly adequate to meet this ever changing demand has been provided. An enormous number of essays and projects are created and concocted by Ridley students each term and each project and each student deserves the best material to do the sort of work which the staff demands. The library has an extensive

to a school policy which somewhat restricts the use of the library for grades 10 and 11 but adds a responsibility to senior students in grades 12 and 13 to assist in maintaining the atmosphere they themselves want. A great deal of learning does occur in discussions with other people and to provide a place where it is even 'cool' to talk about academic things is a solid reason for its existence. Between Mrs. Jane Morris, who has been a fixture at Ridley since 1964, and Mr. Lewis, the library is staffed virtually all of the working day.

A third area of learning which the library seeks to promote is found in its various operational systems. In the first place, the books are signed out and in on the honour system. The days of fines and 'three-day books' are over. Honour systems are not viewed with much favour these days but through the one which operates in the Matthews Library, students are encouraged to respect two ideas: first, that others may require the books, thus holding onto them for an unreasonable period of time is selfish; secondly, that if someone else needs a particular book a student has an obligation to share it. While there is no system which checks up on books going out, unsigned books in a student's possession are considered as a matter of basic dishonesty which is referred directly to Housemasters. With the advent of a Xerox machine this year (which also works on the honour system by the way) there is really no need for dishonest practices. The Librarian does not claim to have won everyone over to this idea but he asserts that it is a battle well worth the fight. The system in his view encourages practice in very simple matters of responsibility, consideration for others and honesty which are some of life's more significant lessons.

Encouraging responsibility among young people is a long and often painful process but the Librarian contends that it goes beyond the simple care of books. Speaking about the physical appearance of the place, Mr. Lewis is the first to admit that teenagers are hard on furniture but School policy holds students accountable for damages.

Now and then a chair gets broken or someone writes on a wall. Charges ensue. The Library is somewhat of a living room to the School and maintaining its appearance is seen as everyone's responsibility. The fact that the area is nearly eight years old and shows only a few scruffy spots is no mean accomplishment and must be seen as a credit to the student body as a whole.

This third area of learning also encourages a few students to assist with the day to day operation of the library itself. The library simply cannot function without the help of a handful of 'Senior' Librarians who are encouraged to 'run the library' in the evening hours and Junior Librarians who put books away and care for the general appearance of the place. This type of work is certainly not everyone's type of service but by the end of the year most of these students can offer proof that they have indeed done something for somebody besides themselves. Another of the little lessons of life where great sadness awaits those who have no such proofs.

There is also an AV room which houses most of the School's audio visual equipment. Here students can involve themselves in film making, slide taking, video presentation, basic recording and can even learn how to run a projector or two. The opportunities are there for those who so desire.

Our observations show that the library seems to be much more than a distribution centre for books. Downstairs, an Archives Section is taking shape and in the library itself there is a showcase for memorabilia of School history and other showcases for student generated displays. Mr. Lewis was anxious to tell us much about general circulation (which is high) and even more about the loss rate (which is low). He found it difficult to explain the pleasure he gets in recommending good books or the frustration he experiences with students who don't read, so we left these matters out entirely along with other details of the operation. We believe, however, that we have discovered more about the Matthews Library on our own philosophical tour than he or statistics could ever tell. A Book anyone?

## Rowing Need

The Ridley College Rowing Club is seeking assistance for their rowing programme. They would like to 'beg', 'borrow' or preferably buy cheap — a 12-14 foot "coaching" boat and/or a 9 h.p. engine.

## The Association Week End

This was the second year of emphasis on Reunions at the Week End. Eight reunions were held under the capable direction of their Class Agents:

1930	Bill Lemon	(50th)
1940	Cro Taylor	(40th)
1945	Sam Anderson	(35th)
1955	Bruce Rudd	(25th)
1960	John Craig	(20th)
1965	John Anderson	(15th)
1970	David Jarvis	(10th)
1975	Jim Kingstone	( 5th)

It is hoped that we will have a full five year Reunion programme in operation with ten reunions next year.

50th Reunion revellers: Harold and Lorna Wilson, Bill Coy, John Hudson, John Denison, Bruce Hunt and Frank Lawson.

The Week End began on Friday evening with the School hosting the reception in the Performing Arts Centre and the dinner in the Great Hall. Approximately 270 sat down to dinner. The seating was arranged so that a staff member and/or a prefect sat at each reunion table. In addition to the reunion members there were about 35 other Alumni and Current Parents in attendance.

After a fine meal the Headmaster addressed the gathering and brought the Alumni and their wives up to date on the affairs of the School.

Attending their 40th Reunion were — Margaret and Raymond Nield (staff), Joyce McCracken, Cro Taylor, Deborah Mandeville, Hugh McCracken, Mary Taylor and 'T' Mandeville.

An Alumni Crest was presented to Gerry Wilmot (30) for coming the longest distance (from Vancouver Island) and an alumni tie to Michael Spurling (60) from Bermuda for the second

longest journey. We found out afterwards that a tie should also have been given to Don Wyatt (45) from St. John's Nfld. and Mike Bevan (40) from St. Lucia.

On Saturday the Headmaster and his wife Mary entertained the Classes of 1930 and 1940 before the buffet luncheon and David and Mary Wilson entertained the Class of 1955. Also before the buffet luncheon the Annual Meeting of the Association was convened. At the meeting George M. Irwin (69) was elected President to succeed Robert C. Broad (53).

A steady rain began about 8:30 in the morning and continued without respite until 10:30 at night. This made for very wet spectators and a very muddy field for the football game. The only group who cheered about the weather was the Niagara branch of the Women's Guild who completely sold out their stock of Ridley umbrellas.

The football game against T.C.S. was a closely contested game that the visitors appeared to have locked up 10-6 until the final minute when the Orange & Black scored a converted touchdown to win 13-10. The victory made up for the wet feet and sodden clothes of the Ridley supporters.

Some 25th Reunion members from the Class of '55 — Pat and Bob Campbell, Linda Davis (wife of Bill), Bill Robertson, Peter Brown and Bob Malone.

The Reunion Classes all had their own reunion parties, at various watering holes around St. Catharines, in the evening. This reporter visited a number of them. They were all well attended and the Ridley spirit was certainly alive and well at all of them as the Alumni and their wives or lady/men friends celebrated.

The Alumni filled the Chapel for the traditional Sunday Chapel service, although some appeared a little quieter and more subdued than they had been the night before.

A cheerful quartet from the Class of '30 — Bill and Alice Lemon along with Jim and Mae Walter.

After sherry and beer at the Hunt residence in the Lower School following Chapel, the campus and hotel and motel rooms emptied and the Week End was history. We at the School enjoyed having you and in turn we hope you all enjoyed the Reunion Week End.

## Newcomers to Staff

GEORGE A DUNKLEY, B. Mus., M.A., A.R.C.T. (University of Toronto) has taken over as the director of Music. George comes to Ridley from Vincent Massey Collegiate Institute in Etobicoke where he directed the Music programme. He lives off campus with his wife Colleen and their three sons, one of whom, Derek is enrolled in the Lower School.

ELEANOR I. FRASER, B.A., M.A. (University of Toronto) is a part time addition to the English department in the Upper School. She is the wife of Wayne Fraser who joined the staff in 1979. The Frasers and their two children live in an apartment in the old Isolation Hospital.

DENNIS HULL, the ex N.H.L. hockey star is teaching part time in the History department while he completes his final year at Brock University. He is also coaching the U/16 hockey team and is in charge of the Hockey section of Sports Ridley. He and his wife, Mary Sue, are living in St. Catharines with their daughter and son, John Douglas, who is enrolled in the Lower School.

E. JAMES KINGSTONE (75) B.A. (University of Toronto) joined the staff after the Easter vacation last year. He is a member of the English department in the Upper School and the coach of the 1st Cricket XI. Jim is single and living on campus in Gooderham House.

NICHOLAS G. PENDRY, B.Sc., P.G.C.E. (University of London) has joined the Mathematics department of the Upper School as an exchange teacher, for the current School year. Nick comes to us from Eastbourne College, Eastbourne, East Sussex where he has been on the staff for five years. When he returns to England he will be going to Sherborne School in Dorset. He is single and living on campus in Gooderham House. We welcome him to Canada and hope he enjoys his year at Ridley.

RICHARD L. RASMUSSEN, B.A., B. Ed (University of Western Ontario) is the Lower School Physical Education master. Previous to coming to Ridley, Rick was a Physical Education teacher at Stamford Collegiate in Niagara Falls. He is single and lives off campus.

## Branch Meetings

### United Kingdom

The Annual General Meeting of the branch was held on Tuesday, 4 November at the Cavalry and Guards Club in London. The Chairman of the branch, Col. Edward Berwick (28) presided with Michael Turner (51) secretary and Allan Ruddle (46) treasurer in attendance. Due to the efforts of the executive there were 21 members who turned out, which was a tremendous increase over previous years and a trend that we hope will continue. The executive of the branch was re-elected for another term in office.

### Halifax

Our Atlantic provinces meeting was held on Wednesday, 29 October at the Dresden Arms Hotel in Halifax. About twenty Association members were in attendance at the gathering which was organized by the Chairman, Hector McL. Porter (48). The Dresden Arms Hotel is now owned by E. Gordon Powell (62). Richard Bradley addressed the meeting, bringing all who attended up to date on the state of Ridley today. He was accompanied by his wife, Mary along with Sam and Libby Heaman.

## Newfoundland

The Murray's Pond Country Club outside St. John's was the site of the Newfoundland branch meeting on Thursday, 30 October. Over thirty Association members had a delightful cocktail session and dinner, which was presided over by the Chairman of the branch, H. Christopher H. Collingwood (66). The Headmaster and his wife Mary were accompanied by Sam and Libby Heaman. Following a very interesting talk by the Headmaster on Ridley as it enters the 80's, presentations were made to Richard and Mary by Ian J. Reid (44) on behalf of the Newfoundland branch in recognition of their service to the School and their previous visits to St. Johns.

## Michaelmas Term

### Football

The short concentrated season opened on 14 September and closed on the 1st of November. John Greenwood and Rob McMillan co-captained the team that was ably coached by Mr. Paul Kitchen who was assisted by Mr. Mark Dumont and Mr. Rick Rasmussen.

RECORD — Won 4 Lost 3.

Included in the losses was the first game in many years played against the Alumni. It was a close, well-played game which the Orange and Black lost by a score of 15-14.

Our standing in the ISAA League was third. U.C.C. was the winner with S.A.C. second.

The winner of the Paton Trophy (overall contribution and sportsmanship) was Lyle Himebaugh. Newell Kraik won the Burroughs Trophy for the best lineman and Gary Scott was awarded the Somerville Trophy for the rookie of the year.

### Soccer

Ridley's 1st Soccer team unfortunately had a losing season.

RECORD — Won 2 Tied 2 Lost 5

In the ISAA league of 8 teams Ridley ended up in fifth place. The team was captained by Dino Faes and coached by Mr. Roy Napier. They played hard but were unable to put together a winning team although every game was closely contested.

At the Cross Country supper Dino Faes was presented with the Pirie Trophy for the most valuable player and the Faes Trophy for the most valuable new colour went to Stuart Lip-pensky.

ACTA PHOTO

### Harriers

The Harrier team co-captained by Don Coons and Beth Cameron and coached by Mr. Jon Silver and Mr. Jim Kingstone consisted of 75 boys and girls.

In the ISAA competition the Junior and Senior boys' teams came first and the combined team was a close second to Appleby which was the winner.

The Junior boys' team of Eric Burpee, David Shemilt, Yanick Page, Scott Daniel and Doug Mason and also Beth Cameron qualified for and competed in the OFSSA Mett in London.

Ian Anderson leading the pack in the SOSSA Zone 4 final at Brock University.

## Hockey

For the first time a Ridley hockey team is going overseas to play in Europe. The first team left on a K.L.M. aircraft bound for Belgium and Holland on 30 December. They return to St. Catharines on 12 January.

During their 8 game tour they will be playing Belgian and Dutch teams including the National Under/17 teams from both countries. The tour came about because the coach of the Belgium National team is a Canadian from Niagara Falls, Ontario who visited the Sports Ridley programme in 1979 and arranged for four Dutch boys to enroll in the programme this past summer. After they returned home the invitation for Ridley to make the tour was extended.

Our team is captained by Jamie O'Brien. The coach Mr. Keith Mawhinney is in charge of the team and he will be accompanied by Mr. Dennis Hull (Staff) and Mr. Brian Iggulden (67), the director of the Sports Ridley programme.

## Sports Ridley

Last summer Sports Ridley attracted 575 students to its hockey, soccer and tennis programmes. These students came from all corners of Canada, including British Columbia, Alberta, Manitoba, Ontario, Quebec, Nova Scotia and Newfoundland plus California, New Jersey, New York, Mexico and Holland.

The School benefited through the enrollment of four permanent students who first attended Sports Ridley and through the purchase of a puck shooting machine, radar guns, assorted items of sports equipment and financially by rentals paid to the School as well as by the modest profit Sports Ridley realized.

This summer the programme is expanding to include five weeks in hockey and tennis, four weeks in soccer (one week is for girls only) and the introduction of a track and field programme endorsed by the Ontario Track and Field Association.

Several Alumni sons and daughters attended the sessions once again. For information and brochures please contact Brian Iggulden at Sports Ridley c/o the School.

## Annual Report of the Financial Support Committee

Once again it is my pleasure to report on annual giving results for the past year. This report includes a summary of the total financial support received by The Ridley College Foundation and The Ridley College Scholarship Fund, Inc.

Ridley in the year ended June 30, 1980 received the greatest amount of annual giving support in its history. A summary appears later in this report of the total financial support during the year.

When the decision was taken to completely reorganize the form of the annual giving program from one of approximately twelve telethons and one direct mailing to one of three personalized direct mailings, it was done because the Financial Support Committee was convinced that several important objectives would be achieved of great benefit to Ridley.

The most important of the objectives — to increase the number of donors, to increase per capita contributions and to increase the total amount contributed. Each of these objectives were met in the first year and there is good reason to think that there will be substantial improvement in future years.

The success of THE RIDLEY FUND is directly related to the effort and support it receives from those members of the Ridley Family who act as Class Agents or Associate Class Agents. This group of over 200 persons includes Alumni, Current Parents and Past Parents. Their interest in the continued well being of the School is evident.

On behalf of the Committee and Ridley, I wish to express our sincere appreciation for the excellent job they are doing for Ridley.

There is no doubt that the accomplishments of the last year would not have been achieved had it not been for the outstanding performance of Sam Heaman and his staff.

Annual Giving for the year ended June 30, 1980, amounted to \$140,100 which was contributed by 1,507 donors. This result compares with the previous year's result of \$110,494 from 1,502 donors. While there was only a fractional increase in the number of donors, there was a substantial increase (27%) in total contributions of \$29,606.

The Fund fell short of its donor objective because of organizational difficulties associated with the first year of operation. Steps have been taken to correct these problems and the current year's objective is 1,720.

In addition to annual giving there were 53 specific donations of \$48,216 and 4 bequests totalling \$74,666. Thus the total financial support received by Ridley (excluding Program for Excellence and the Ridley Rink Fund) was \$262,982.

The Financial Support Committee has set as a goal this year the development of a Bequest program. We believe that with a proper and continuing program significant gains can be made in this area.

An ambitious target of \$165,000 has been established for the 1980-81 Ridley Fund. In order to reach this target there will have to be participation by a greater number of members of the Ridley Family.

To all those who contributed to Ridley in the past year the Board of Governors and the members of the School extend their sincere gratitude for your generosity and the hope that it will continue in the future. We look forward to an ever increasing group of the Ridley Family supporting the School and The Ridley Fund.

George M. Hendrie,  
Chairman, Financial Support Committee
